

# Workplace Skills Development

## Basic, Senior and Advanced Levels First Aid (Awareness)

This course provides an awareness of the skills and knowledge required to enter into the health care sector as a first aider to enable you to provide first aid to a casualty in a remote and/or isolated situation.

Application of these skills and knowledge will be contextualised as required to address specific industry, enterprise or workplace requirements and to address specific risks and hazards and associated injuries.

Once completed this allows you to select which 1<sup>st</sup> Aid course is a best fit for your work or life needs.

### Content of course:

- Overview of first aid
- What to do at an incident site
- What is initial care
- CPR procedures
- Communicating at an incident

**Course Cost: PGK590.00**

**Course Duration: 1 day**
