## HLT21015 Certificate II in Medical Service First Response

The Workplace Skills Development Certificate II in Medical Service First Response reflects the role of first medical response workers or volunteers who provide initial care to patients. These people provide basic first aid and emergency responses in the pre-hospital/out of hospital environment

These programs have been designed with the input of PNG industry and specialist and defined as a community and industry need for those individuals and clients that are not professionally trained in the health sector that support:

- Doctors
- Paramedics
- Nurses
- Health posts
- Remote areas and communities

This HLT21015 Certificate II in Medical Service First Response is a pathway qualification and will prepare an individual in successfully undertaking the HLT31115 Certificate III in Non-Emergency Patient Transport Qualification.
