

Workplace Skills Development

HLTAID006 Provide advanced first aid

This course provides the skills and knowledge required to provide first aid to a casualty in a remote and/or isolated situation.

Application of these skills and knowledge will be contextualised as required to address specific industry, enterprise or workplace requirements and to address specific risks and hazards and associated injuries.

Course schedules can be tailor made to suit your requirements dependent on numbers. All courses can either be conducted at the training centre at Workplace Skills Development or within your own workplace.

Prior to assessment participants must have completed the course reading information for HLTAID006 Provide advanced first aid.

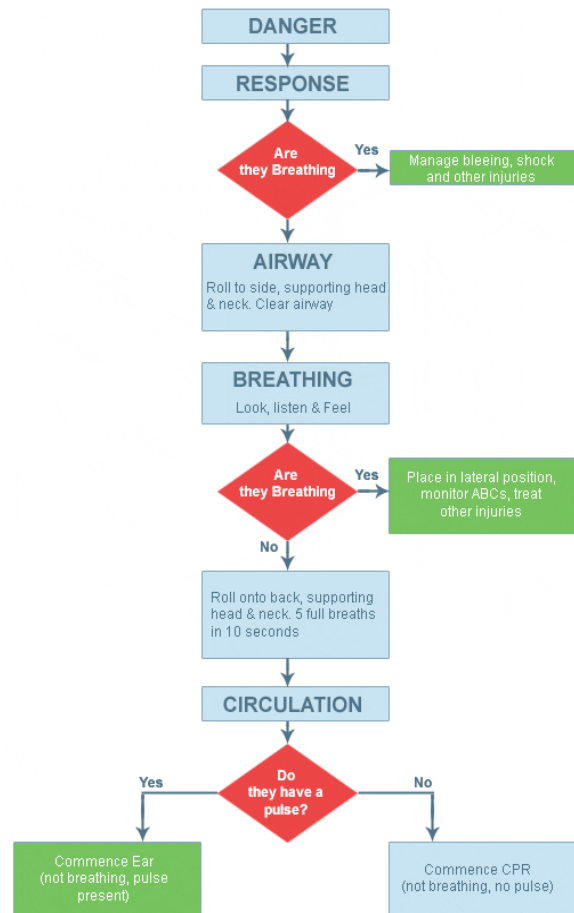

Content of Course:

- Respond to an emergency situation
- Apply appropriate first aid procedures
- Coordinate first aid activities until arrival of medical assistance
- Communicate details of the incident
- Evaluate the incident and own performance

Course (pre-requisite plus HLTAID003)

Duration of Course: 2 days

Course Cost on application
